Rob,

I think you can call him back. If it is too late for his deadline, you have at least been responsive. Again, I think you can talk about what we know now.

I received this email on Friday while I was away. Have either one of you been contacted since then to discuss CFAC? Do we still need to respond?

Thanks,  
Rob

Rob,  
Hoping to bend your ear re: the EPA's proposal to list the CFAC site on the next NPL. Could you give me a call? My coordinates are below. Thanks in advance.  
Best,  
Tristan
